	1547940

RECOMMENDATION

THAT the Committee endorse the draft Roads Management Policy for presentation to a future Ordinary meeting of Council.

Page 4

DEPUTY GENERAL MANAGER - CABONNE INFRASTRUCTURE'S REPORT

Cabonne Council is responsible for the management of over \$437M in transport assets across a road network of 1,993km. To ensure that the services provided are efficient, effective and sustainable, it is essential that Council defines the extent of the road network to which it manages.

A Roads Management Policy provides direction and guidance to the extent of road administration and maintenance undertaken for the Cabonne Council Road network as prescribed within the Roads Act 1993.

The objectives of this policy are to define:

- a) Extent of the road network managed by Council
- b) Under its authority, the administration and management of public roads
- c) Framework for determining the expansion of road network managed by Council

A key focus of the policy is the keeping of a Cabonne Council Roads Register. This roads register is kept to define the extent of road network that Council actively maintains and manages. The road register will contain information which can be utilised to determine the full length of roads maintained and will provide the basis for determining future road works including operational, maintenance and capital upgrades.

Roads that are not contained within the road register are not actively managed or maintained by Council. Council will not actively manage or fund works to roads which are not within the road register.

An agreement may be entered into with private parties to undertake work within the road reserve, at the cost of the private parties. This includes the provision of driveway access to properties which do not have direct access to the local road network.

A party may request Council to include a road within the road register by making an application in writing to Council. Requests will be considered against the following criteria:

- Number of residents per kilometre of road
- Estimated traffic volume
- General public use, including recreation and emergency use
- Lifecycle cost of maintaining the asset

Page 5

- Overall public interest for Council to maintain the road
- Other relevant information

Cabonne Council may request the applicant to upgrade the road in accordance with Council current standards for the proposed road classification.

ITEM 5 - TRANSPORT INFRASTRUCTURE UPDATE

REPORT IN BRIEF

Reason For Report	To provide the committee members an update within the Transport Infrastructure department.
Policy Implications	Nil
Budget Implications	Nil
IPR Linkage	2.2.1.1a - Undertake road maintenance and routine

RECOMMENDATION

THAT the information be noted.

DEPUTY GENERAL MANAGER - CABONNE INFRASTRUCTURE'S REPORT

DEPUTY GENERAL MANAGER - CABONNE INFRASTRUCTURE'S REPORT

The following report provides an update on major projects up to the end of May 2023.

Casuarina Drive

Work has been completed.

Borenore Road

Work has been completed.

Gowan Road

No further progress due to storm events.

Kangaroobie Road

Work has been completed.

Page 6

Burrendong Road – Construction

Work has been completed.

Four Mile Creek Road

- Tender is due to be put out by mid-June
- Contract is expected to be awarded in August 2023
- Council has opened a bypass road for light vehicles only.

Cargo Road

Coffee Hill section of Cargo Road initially scoped up for REPAIR project had significant delays due to various issues, deliverability of that section of repairs has been postponed to 23/24 FY as the scope of work will be better delivered and sustained in more favourable weather conditions. A variation to the use of the REPAIR funds was relocated to rehabilitation work still on Cargo Road between The Grove and Barragan Road. Two stages of this work are underway with Stage 1 due to be completed by 30 June 2023. Stage 2 funded by Local and Regional Roads Repair Program will promptly follow.

Cadia Road

Last stage of works being completed include the hot mixing of the intersection to be completed by 30 June 2023.

Longs Corner Road

2.6km of road rehabilitation has been completed and a further 2.4km will be completed when weather is more favourable for sealing in spring. This project is being funded by Fixing Local Roads grant.

Page 7

Washpen Creek Bridge

Design work has been completed along with REF and Geo Tech investigations. This project is being released for tender in June and we anticipate the start of construction to be around September 2023. This project is funded by the Federal Government Bridge Renewal Program and Cabonne Council.

Peak Hill Road Upgrade – Roads of Significant Importance (ROSI)

Design, REF and Geotechnical work has been completed however the tender will not be released as per advice from Investment Infrastructure Program due to the 90-Day Federal Government review. The Review will also include an assessment of a number of IIP sub-programs, including the Bridges Renewal Program, Heavy Vehicle Safety and Productivity Program, Roads to Recovery Program and Black Spot Program. The Reviewers will investigate what improvements could be made to these sub-programs, including how the Australian Government could deliver them more effectively and lessen any unnecessary administrative burden. The Government recognises the importance of this funding to local communities, especially in our regions, and is committed to ensuring it is delivered in the best way possible over the long term.

Footpaths in Cabonne

Numerous footpaths that received funding as part of the LRCI and Active Transport grant programs are due to be released for construction tender in June 2023 with construction plans to be negotiated with the successful tenderer.

Flood and Storm Repairs

Works are still currently underway with all projects under construction due to be completed by 30 June 2023 in line with the funding arrangements under the DRFA Immediate Reconstruction Work and Emergency Work guidelines. Council is in the process of developing scopes of works for all outstanding projects and will continue to advise of these in the future. Projects include the Nyrang Creek Bridge on Nangar Road, various footbridges lost in the flood and Canomodine Lane Bridge.

Molong Main Street Trial

- Paving is 90% completed
- Tree and garden have been planted and mulched.

Page 8

Molong Main Street Project – Block 1

- Site Setup completed
- Location of underground services completed
- o Saw cutting of existing pavement completed
- Installation of new water sub main which connects the businesses on the Northern side of Bank Street to the water main on the Southern side of Bank Street. - Completed
- Excavation and installation of drainage line from Strata Vault to storm water pit - Completed
- Excavations for Strata Vault Completed
- Forming up walls for Strata Vault (first concrete pour will occur on 04 May 2023). Expecting that all walls in block 1 will be formed up and poured by 12 May 2023. - Completed
- Installation of drainage layer and Strata Vault will commenced on Monday 08 May 2023 – Completed
- 3 sections of roof have been concreted, the last section will be completed on Friday 02 June 2023.
- The first section of roof will be fully paved by Monday 05 June 2023.
- The traffic island associated with Stage 1 at the Bank St/Gidley St intersection will be excavated and concreted by 06 June 2023.
- Paving and installation of electrical pits and bollards are all on track to be completed by Friday 16 June 2023

Page 9

Molong Main Street Project

Molong Main Street Project

Molong Main Street Project – Stage 2

- Moving temporary fencing from Stage 1 to Stage 2 on Saturday 17 June 2023.
- Saw cutting will commence on 18 June 2023
- Excavation is scheduled to commence on 19 June 2023

East Area of Cabonne

Works completed has included:

Gravel Resheeting:

• Parts of Glenlea Road, Cowriga Road, Post Office Lane & Dry Creek Road (storm damage)

Patching Crews:

Page 10

Local Roads (Cold Mix)

- Emu Swamp Road
- Icely Road
- Favell Road
- Four Mile Creek Road
- Winters Lane
- Kangaroobie Road
- Belgravia Road
- Woodville Road
- Cadia Road
- Forest Reefs Road
- Spring Terrace Road
- Lower Lewis Ponds Road
- Dry Creek Road
- White Rocks Road

Regional Roads (Cold Mix)

Cargo Road

Construction/Heavy Patching/Sealing:

Heavy Patching

- Approx 10,000m² on Belgravia Road, Bevan Road, Fanning Road, Kent Road and Kangaroobie Road (storm damage) – sealed with a 7mm dust coat
- Approx 21,000m² sealed with a 7mm dust seal on Icely Road, Favell Road, Byng Road, Henry Lane, Dry Creek Road & White Rocks Road as part of storm damage.

South Area of Cabonne

Works completed have included:

- Patching on Davys Plains Road, Kurrajong Road, Warraderry Way and Casuarina Drive
- Re-open new concrete causeway for Nyrang Creek crossing on Nangar Road.
- Warranty work completed by Downer Group on The Escort Way near Eugowra and Cudal.
- Inspections and general maintenance repairs to state road network which now includes Packham Drive.

Page 11

New concrete causeway for Nyrang Creek crossing on Nangar Road

North Area of Cabonne

Works completed include:

- Footpath repairs on Euchareena Road and Betts Street intersection
- Patching in Molong streets
- Heavy Patching on Gumble Road
- Grading on numerous roads including Neville Road, Old Yullundry Road and Rocky Ponds Road.

Ongoing Wet Weather Conditions/Storm Damage

Ongoing storm damage works are progressing by council staff and contractors. Due to waterlogged unsealed roads, it has not been possible to deploy plant and machinery, although temporary works have occurred to make roads and access available to property owners and the community.

Council officers will continue to inspect and prioritise works as resources are available.

General Updates

A notable change to the Transport Infrastructure department includes the introduction of an RMCC Team which was internally advertised and staffed. This team will allow Council to enhance the repair work and general maintenance on our State road network and will be based and managed out of the Cudal depot as it is the most centralized depot to the State road network in Cabonne.

ROADS MANAGEMENT POLICY

STRATEGIC POLICY

Responsible Department:	Cabonne Infrastructure
Responsible Section:	Transport Infrastructure
Responsible Officer:	Department Leader Transport Infrastructure

Objective

Council is required to define the limits of management and administration it will undertake on the road network to which it is the declared authority. The objectives of this policy are to define:

- a) Extent of the road network managed by Council
- b) Under its authority, the administration and management of public roads
- c) Framework for determining the expansion of road network managed by Council

Introduction

Cabonne Council is responsible for the management of over \$437M in transport assets across a road network of 1,993km. To ensure that the services provided are efficient, effective and sustainable, it is essential that Council defines the extent of the road network to which it manages.

This Roads Management Policy provides direction and guidance to the extent of road administration and maintenance undertaken for the Cabonne Council Road network.

This policy applies to administration and management of public roads under the declared authority of Cabonne Council as prescribed within the Roads Act 1993.

Application of this policy does not extend to public or private parties with authority to operate and maintain utility and telecommunications services in accordance with State and Federal legislation.

Policy

Extent of Road Network

Cabonne Council will undertake management of roads to which it has been designated as the Roads Authority in accordance with the Roads Act 1993. A road register will be kept that identifies those roads that Council will maintain.

1 | Page

The road register will contain information which can be utilised to determine the full length of roads maintained and will provide the basis for determining future road works including operational, maintenance and capital upgrades.

Management of Road Network

Cabonne Council will provide a maintained road network within the limit of its available resources, as determined in Council's annual Operational Plan and Budget, Long Term Financial Plan, Strategic and Transport Asset Management Plans.

Council will retain a register of customer service requests that relate to the road network, and prioritise works on the basis of inspection and determination of the prevailing risk of the issue.

Unmaintained Roads

Council may hold authority of a road reserve that does not have a recognised road within its bounds according to the road register. Council will not actively manage or fund works to roads which are not within this road register.

An agreement may be entered into with private parties to undertake work within the road reserve, at the cost of the private parties. This includes the provision of driveway access to properties which do not have direct access to the local road network.

Requests for Additions to Road Register

A request to add a road to the road register can be made to Council.

Requests will be considered against the following criteria:

- Number of residents per kilometre of road
- Estimated traffic volume
- General public use, including recreation and emergency use
- Lifecycle cost of maintaining the asset
- Overall public interest for Council to maintain the road
- Other relevant information

Cabonne Council may request the applicant to upgrade the road in accordance with Council current standards for the proposed road classification.

Consideration of the same merits will be undertaken for request to Council to transfer roads to its responsibility that are under the delegated authority of other state agencies.

Responsibilities (Optional)

General Manager: responsible for leading employees in their understanding of this policy and to monitor its relationships with other areas of Council activity

2 | Page

Deputy General Managers: responsible for leading employees in their understanding of this policy and to monitor its relationships with other areas of Council activity

Department Leaders: responsible for communicating, implementing and complying with this policy and develop procedure framework to facilitate the policies intention

Employees: responsible for implementing and complying with the policy and consider the implications for related projects and programs

Mayor and Councillors: responsible for leading discussions with the community of this policy and its intent, and receiving regular updates on its implementation

Definitions (Optional)

Roads Authority: a public or local authority designated under the Roads Act 1993 to execute the specified provisions of the Act

Maintained Road: a road that is included in Council's Road Register and is maintained by Council

Unmaintained Road: road that rests within a gazetted road reserve under the authority of Cabonne Council, however is not included within Council's road register. Also known as a paper road

Road Reserve: area that is reserved that enables the construction of roads facilities for public travel. Land is referred to as public road under the Roads Act 1993, but does not necessarily refer as a physical road
