

STATEMENT OF ENVIRONMENTAL EFFECTS

FORM No. 003

LEGISLATION

In accordance with Schedule 1 of the *Environmental Planning and Assessment Act Regulation 2000*, a development application **must** be accompanied by a Statement of Environmental Effects (SEE).

This SEE is suitable for minor impact developments such as dwellings, subdivisions, dwelling alterations, additions and outbuildings. It may be necessary for Council to request additional information depending on the nature and impacts of a proposal. Larger scale developments should be accompanied by a detailed and specific *Statement of Environmental Effects* prepared by a suitably qualified consultant.

***(Please provide additional comment if answering 'yes' to any of the questions.
If necessary, attach additional information)***

ASSISTANCE

The Development Application and Construction Certificate Guide Section 5.3 Page 15 provides detailed information on each aspect of the Statement of Environmental Effects.

PROPERTY DETAILS

Page 19 of the *Guide* will help you to fill in the following details correctly

- Will the development have an impact on any heritage item or item of cultural significance? YES NO
- Will the development disturb any known Aboriginal artefacts? YES NO

If yes, list Aboriginal artefact

If yes to any of the above questions a *Heritage Impact Statement* is required for any work to a heritage item or a building within a Heritage Conservation Area that requires consent under Council's Local Environment Plan. Where a Heritage Impact Statement is required it must be prepared by a suitably qualified heritage advisor/consultant.

The statement must address:

- Historical development of the site
- Description of the item and its setting (e.g. garden, fences, ancillary buildings, etc)
- Contribution to the streetscape: height, scale, mass, setback, fenestration, architectural style and period
- Heritage significance (use heritage manual criteria/state heritage inventory)
- Affect of proposal on the heritage significance of the building and its setting
- Design options and rationale for the preferred option
- Relevant conservation principles in accordance with ICOMOS Burra Charter

The NSW Heritage Manual and the Burra Charter can be obtained from Department of Planning - NSW Heritage Branch. Sites adjoining a listed heritage item will require assessment in relation to the impact of any proposed development on the heritage item.

Comments:

Flora and Fauna

Will the development:

- Result in any removal of vegetation on the site? YES NO
- Be likely to have an impact on threatened species or a native habitat? YES NO
- Be subject to any landscaping treatments? YES NO
- Is the development in a koala habitat? YES NO

Comments:

Waste

Will the development provide adequate waste facilities and controls?

YES NO

Comments:

~~Licensed contractors engaged must ensure site sanitary facilities and waste storage bins are in place and maintained for the duration of construction.~~

Energy

Is the development considered to be environmentally sustainable?

YES NO

Comments:
