**This initiative aims to promote health and well-being by offering convenient swimming opportunities and encouraging responsible pool use.**

**Similar Programs run at other Council owned pools across Australia.**

#### Q Can I swim on my own?

**A** The safety of all pool users is a priority for Council.

The following protocols have been developed to ensure safety during unsupervised hours:

- **Swimmer Companions:**
  - Swimmers must be accompanied by at least one other person.
  - This can be a fellow swimmer, friend, family member or someone watching from the deck.
  - **Swimming alone is not permitted.**
  - Council is encouraging connections with other pool users to form community swimming groups.
- **Age Restrictions:**
  - Only individuals aged 18 and over can access the pool during unsupervised hours.
  - Children under the age of 18 are considered swimmer companions if they are accompanied by a parent or carer. The child must have a season pass or 10-visit pass to scan in.

### Q How does the pool entry fob work? Can family members use it?

- A**
- The fob provides passholders with access during unsupervised hours. It is activated upon completion of the induction.
  - Users must scan their fob at the entry gate to gain access to the pool.
  - Family Access: Fobs are non-transferable and valid only for the individual who completed the induction. Each eligible family member must obtain their own fob.

Unauthorised use of fob's will result in the cancellation of access.
